Verse 1

**B**

234 beat it boy I ve found another

He knows me just like my mother

My temperamental signs

The reasons I despise of in you

Verse 2

**B**

So haws it feels to be hung out there

To be the one who doesn t know where

Everything went wrong

And why I wrote this song just

For you, just for you

Chorus:

**C#** 7fret

It use to be about happy ever after

Now I know that nothing is for ever

**B** b5fret

You and me its just misery

**B**

And I pushed reset

b5fret

And were disconnected

**C#** 7fret

I use to think you were everything

That I would need

**C#** 5fret

Now I know you re the crush that could have killed me

**B** **C#** 5fret

Save your breath cause im not up set

Imp just over it and were disconnected

Verse 3

**B**

Don t look at me like you re confused  
And you can t bereave that I left you  
Like you re some amazing prize  
That depends whose eyes you re seeing through

Verse 4

**B**

So later see you im reminded  
Of all the wrongs you never righted  
Under neat urn cool hope your droning  
In your pool you fallen in cause u can t swim

Chorus:

**C# 7fret**

It use to be about happy ever after  
Now I know that nothing is for ever

**B C#5**

You and me its just misery

**B**

And I pushed reset

b5fret

And were disconnected

**C# 7fret**

I use to think you were everything  
That I would need

**C# 5fret C#5**

Now I know you re the crush that could have killed me

**B C# 5**

Save your breath cause im not up set  
Imp just over it and were disconnected

Take back your rollercoaster of the life  
Ill find a better way to waist my time

Verse 5

**B**

234 beat it boy IV found another  
He knows me just like my mother  
My temperamental signs  
The reasons I despise of in you  
Of in you

Chorus:

**C# 7**

It use to be about happy ever after  
Now I know that nothing is for ever

**B C#5**

You and me its just misery

**B**

And I pushed reset

**C#5**

And were disconnected

**C# 7**

I use to think you were everything

That I would need

**C# 5**

Now I know you re the crush that could have killed me

**B** **C# 5**

Save your breath cause imp not up set

Imp just over it and were disconnected
