G Dadd11
Get a cab and take it far as you can pay
Em **Cadd9**
Don t let me know where it goes
G Dadd11
I m alone now, and I m happier this way
Em **Cadd9**
It wasn t worth what I had lost

Cadd9

And I
G
Won t follow you
Em
Oh I m
Dadd11
Gonna pull through

Cadd9

Cuz this
G
It s so hard
Em
To get through
Dadd11
But I have to

Cadd9

We were oh so tragic
G
We are not magic
Em Dadd11
We were not the sky but we are blue

Cadd9

We were not perfect
G
Always seemed to hurt it
Em Dadd11
Oh we should have just know to give up

Cadd9
