Well it was just **B**  
5 guys on a night out (Oh) **F# B**  
Looks like they could box your lights out **G# E**  
Insatiable hunger **B F# B**  
Looking for the one they could take home right now **G# E**  
They re all getting salty **B F# B**  
Wanna be sonic, but they re not fast enough **G# E**  
Wanna be that Mac Daddy **B F# B**  
But this game of thrones is just too tough **G# E**  
You can t be the king if you taste like shit **G# F#**  
The other 4 guys don t mind a bit **Bm**  
And these Randy Bo Bandy s are so demanding **C#m F#**  
Knock that pat flat but I m still standing **Bm G#**  
Wendy s just another silly girl I knew but those days are all long gone **C#m F# Bm G#**

The burger joint just down the road seems like the place to go **B F# B G# E**  
Oh, it s comfortable and inviting and it won t tell you lies **B F# B G# E**  
I want that bacon cheeseburger with those damn good fries **Esus4/B F#**

[Verse 2]

Well I was just **B**

**F# B**  
 Feeling kinda greasy  
**G# E**  
 Backstreets feels kinda sleazy  
**B F# B**  
 Prices hiked as high as your tights  
**G# E**  
 And I can't help just feeling queasy  
**B F# B**  
 Thank God it's Friday  
**G# E**  
 Said nobody ever as we all flew out the door  
**B F# B G# E**  
 Acting up like a dairy queen and a size queen's always wanting more  
**G# F#**  
 KFC more like JFC  
**Bm**  
 I wanna try something new to me  
**C#m F#**  
 In with excitement, out with scoff  
**Bm G#**  
 This disappointment can fudd ruck off  
**C#m F#**  
 Annie might be fun, but I'll never shack  
**Bm G#**  
 If I die before then of a heart attack  
**Esus4/B**  
 If there's never a first time  
**F**  
 Then how can I come back?

[Chorus]

**B F# B**  
 Oh, you're 23 years old now  
**G# E**  
 Stick with what you know  
**B F# B G# E**  
 The burger joint just down the road seems like the place to go  
**B F# B G# E**  
 Oh, it's comfortable and inviting and it won't tell you lies  
**Esus4/B F#**  
 I want that bacon cheeseburger with those damn good fries

[Outro] x4 (play single strums of each chord and palm mute the rest)

pm.....  
 Have your burger however you like  
**B F#**  
 No I don't mind, no I don't mind  
**G#**  
 I'm just looking for the right one for me  
**B F#**  
 Don't care how long it takes to find  
 However you like

**B** **F#**

No I don t mind, no I don t mind

**G#**

I know she s the right one for me

**B** **F#**
