Oh my lady I need you

Though from time to time I don t seem to

Once the sun shone in my garden
Till my love took off and left me with the rain
Now my heart and I are starting
To forget it all and start out again
Oh my lady I need you
Though from time to time I don t seem to

Bm Em7 Bm (Listen to the song to get the measuring right)

And all the trees look so sad

And all the love we could have had
