A A/G# F#m E

Dont stop your crying on my account

D C#m E

A frightening lion, no doubt

A A/G#

Hes not safe no, heâ€™s not safe

F#m E

Are you tempted now to run away?

D C#m E

The King above all kings is coming down

D E A A/G# F#m E

But he wont say the words you wish that he would

D E A A/G# F#m E

Oh he dont do the deeds you know that he could

D E A A/G# F#m E

He wont think the thoughts you think that he should

D E

But He is good, He is good.

I know youre thirsty the water is free

But I should warn you- it costs everything

Well, hes not fair no, hes not fair

When he fixes whats beyond repair

And graces everyone that dont deserve

Bm A C#m D

No-one knows him whom eyes never seen

Bm A C#m D

No, I dont know him but he knows me

C#m D C#m D

He knows me. He knows me.

Lay down your layers, shed off your skin

But without his incision you canâ€™t enter in

He cuts deep, yeah he cuts deep

When the risk is great and the talk is cheap

But never leaves a wounded one behind
