Tuning: Standard

Intro: C F C F

C F C  
For all the times we fell in love  
F C  
The little things that made us smile  
F C  
For whatever made you and me  
F C  
believe in wonders for awhile  
F C  
For all the luck we haven t planned  
F C  
the little thoughts that gave us wings  
F C  
And for the melodies in songs  
F C  
that only lovers ought to sing

**C**                      **F**                      **C**                      **F**  
Doo doo doo doo , Doo doo doo doo Doo doo doo doo  
**C**                      **F**  
doo doo doo doo

**Dm** **F** **C**  
 For every dream that seemed so far  
**G** **Dm**  
 and for the ones that come so close  
**F** **C**  
 For all the little steps we take  
**G** **Dm**  
 and for the long and winding roads  
**F** **C**  
 For those who wipe our tears away  
**G** **Dm**  
 And for the laughter that won't end  
**F** **C**

That turns the night into a day  
                    **F** (break)                    **C**  
And sometimes people into friends

**F**          **C**                    **F**  
Doo doo doo doo, doo doo doo doo

Coda:    **C**   **F**   **C**
