Kenny Chesney - Always Gonna Be You

Standard Tuning

INTRO: **D G Em D**

D

I could jump on some ol highway

Run a thousand miles or more

G

Unlock some hidden mystery

Behind a distant door

Em

I could sail the seven oceans

D Dsus D

Til I crawl upon some long forgotten shore

Em

But it s always gonna be you

D

Dsus D

Always gonna be you I m lookin for

D

I could climb a hundred mountains

Leave a hard ol world behind

G

Wander right across some prairie

Like a man out of his mind

Em

I could walk and stare into the sun

D Dsus D

Let it all just burn me deaf and blind

Em

But it s always gonna be you...

D

Dsus D

Always gonna be you I m tryin to find

Em

D

Where does a man go for redemption

G

D

Where does he take a broken heart

Bm **D**
Shouldn't there be some small exemption
Em
If he does all that it takes
Em
To admit to his mistakes
Em **D**
Til the truth batters and breaks his world apart

D
I could ask for my forgiveness

From the heavens high above
G
Tell myself my prayers are gonna somehow be enough
Em
And lay down in some angels bed
D **Dsus** **D**
Convinced I've found the one I'm dreamin' of
Em
But it's always gonna be you...
D **Dsus** **D**
Always gonna be you that I love.

Bm **D**
Where does a man seek his salvation?
G **D**
When does his mind finally go free?
Bm **D**
Is the pain he feels the only explanation...
Em
For believing lies are true
Em
For the stone inside his shoe
Em **Dsus** **D**
The endless ways the years keep haunting me...

D
I could find an empty church

Get down on my knees
G
Tell myself the mercy

Is a matter of degrees
Em
Then lay down in some angel's arms
D **Dsus** **D**
Convinced I've found the one I'm dreamin' of
Em

But it s always gonna be you...

D G

Always gonna be you that I love

Em

D Dsus D

Always gonna be you... that I love
