She was aware of her insecurities as she took the
C# F#
stage
C# F# C# F# C#
She was convinced if she got up there that she d
F# C# F#
Be discovered someday
F#
So she belted it
G# C#
She hit the high notes fearlessly
F#
Oh she melted then, as she brought them to their feet

(Chorus:)

C# F# C# F#
She was a big star at Banana Joe's bar where
C# F# C# F#
She sang karaoke everynight
C# F# C# F#
She said if you work hard to get where you are it feels
Ebmin G#
Good in the hotspot light
C# F#
She was big star

She made the local cable shows where the camera fell in love with her face
After a couple of weekends the groupies were crawling all over the place
She signed autographs like she was Garth Brooks in a skirt
and in the aftermath, that small time town was hers

(Chorus:) C# F# C# F# C# F# C# F# Ebmin G# Ebmin G#

She doesn't care anymore that her high school
C#

Girlfriends cut her out

Bbm

B

F#

They only thought she entertains is where they are and

C#

When she is now

All her old neighbors swear their certain she slept her way to the top

But she knows you don't get where you going unless you

Got something they ain't got

So she sings tonight to 20,000 plus and the young

Girls scream out loud

Man that could be us

She's a big star as she eats caviar just before she

Performs every night

She's says if you work hard to get where you are it

Feels good in the hot spot light

She's a big star

She's a big star

hope this helps :)
