Boston Kenny Chesney Kenny Chesney - Boston (Chord) the whole song is the same four chords in sequence: GDCD VERSE 1: D She comes from Boston Works at the jewelry store G Down in the harbor Where the ferries come to shore She never really knew how good it would feel C To finally find herself in a place so warm and real CHORUS G She wears a Red Sox cap To hide her baby dreads The girl she was in New England D Is different now and dead

```
In all the local bars
    D
                                              C
She flirts and tells the boys while they re talkin
D
She s from Boston
VERSE 2
She comes from Boston
Talks to her family now and then
Through e-mails and postcards
She tries to explain to them
That education and occupation will have to wait for now
She loves the Rasta, reggae rhythms, her dreams have changed somehow
CHORUS
BRIDGE
Her toes dig deep and deeper in the sand
She s seduced by the sunsets and her new life at hand
CHORUS
She wears a Red Sox cap
```

To hide her baby dreads

C From Boston

She came to this island from Boston
