**Kenny Chesney**

[Verse 1]

We loved some and we fought some

We won some and we lost some

We were awful, we were awesome

**G**  
Weren t we, coach

**D**  
We worked hard then we were lazy

We were heroes, we were babies

**Bm** **A**  
Made you proud then drove you crazy

**G**  
Didn t we, coach

[Pre-Chorus]

**Em**  
All those mottos, all those reasons,

**G**  
All those rhymes

**Em**  
To stay priceless they come right back

**G**  
Right on time

[Chorus]

**D**  
You were a teacher, a preacher, a mother, a father

**A** **D**  
A lot less taker than giver

**G** **A**  
A keeper of secrets and constantly making believers outta quitters

**Bm**  
For all of your time

**A**  
And your heart and your soul

**G** **D**  
You deserve a lot more than a toast

But here s to you, and thanks again

And those fans could be fair weather

**G**

But you kept us all together

Found a way to make us better

**G**

Somehow, coach

[Pre-Chorus]

**Em**

Your door was always open

**G**

Rain or shine

All those hats you wore

**G**

Will always blow my mind

You were a teacher, a preacher, a mother, a father

**A**

For all of your time

**A**

And your heart and your soul

You deserve a lot more than a toast

**G**

But here s to you, and thanks again

**G**

We ll never forget you, coach

For all of your time

Our hearts there with
