[Intro]

E A E A

[Verse]

E **A** **E** **A**
I been hangin round this place, I been lookin through your space
E **A** **E** **A**
I been waitin for you, I ve been waitin for you
E **A** **E** **A**
All the places that you go, all the people that you know
E **A** **E** **A**
I ve been lookin for you, I ve been lookin for you
E **A**
And all these pretty people up on El Cerrito Place
E **A**
They all got somethin in their pockets, all got somethin on their face
E **A**
They roll down to La Brea where it meets the boulevard
E **A**
Singin hallelujah while they dance over the stars
A
They all say they re goin far

[Chorus]

E **A**
Me I ve been lookin for you baby, I ve been lookin for you baby
E **A**
I ve been lookin for you baby, I ve been lookin for you baby
E **A** **E** **A**
All night long, all night long, all night long

[Verse]

E **A**
Someone said they might have seen you where the ocean meets the land
E **A**
So I ve been out here all night lookin for your footprints in the sand
E **A**
Did you hear the ocean singing, baby did you sing along
E **A**
While you danced out in the water to some ol forgotten song,
A
Were you even here at all?

[Chorus]

E **A**
Me I ve been lookin for you baby, I ve been lookin for you baby
E **A**

I ve been lookin for you baby, I ve been lookin for you baby
E A E A
All night long, all night long, all night long

[Instrumental]

E A E A

[Verse]

E A
Somehow I wound up in the desert just after daylight
E A
Where the Joshua Trees grow that little place you always liked
E A
These pioneer town people ain t got too much to say
E A
And if you ever were here baby they ain t givin you away
A
Now it s been two days

[Chorus]

E A
I m still lookin for you baby, I ve been lookin for you baby
E A
I ve been lookin for you baby, I ve been lookin for you baby
E A E A
All night long, all night long, all night long
E A
And all these pretty people up on El Cerrito Place
E A E A
They all got somethin in their pockets, all got somethin on their face
E A
Someone said they might have seen you where the ocean meets the land
E A
So I ve been out here all night lookin for your footprints in the sand
E A
Think I ll go back to the city, back to El Cerrito Place
E A
That s the last time that I saw that pretty smile upon your face
E A
I ve been lookin for you baby
