

**Live A Little**  
**Kenny Chesney**

\*Intro\*

G (different picking with the G chord)

**Em-D-C-G**

**Em-D-C-G**

**C**  
Stressed out, running late, racing down the interstate

**G**  
Spilled hot coffee, down the front of my jeans

**C**  
It s work, work, pay the rent, money and my time s spent

**G**  
Not a minute left for me to be me

**C** **Em**  
Been going like nothing can wait

**C** **D**  
I gotta get my priorities straight

**C** **G** **D** **Em**  
I need to live a little, have some fun

**C** **G** **D** **Em** **C**  
Take some time, waste it on number one

**C** **G** **D** **Em** **C**  
Find a girl that brings my whole world to a stop

**C** **D**  
Live a little, love a lot

**Em-D-C-G** (2x s)

**C**  
Friday night, here we go, do a little do-si-do

**G**  
Kick back, have a laugh, catch my breath

**C**  
Tell the band slow it down, there she is, think I found

**G**  
Maybe Ms. Wonderful, I haven t met yet

**C** **Em**  
It just hit me like a wrecking ball

**C** **D**  
She s giving me a wake up call

**C** **G** **D** **Em**  
I need to live a little, have some fun

**C** **G** **D** **Em** **C**  
Take some time, waste it on number one

**C**        **G**            **D**                    **Em**                    **C**  
Find a girl that brings my whole world to a stop

**C**        **D**  
Live a little, love a lot

\*instrumental\*

strum G chord mostly (you can go back and forth from G to C)

**C**  
Step back, smell the rose

**C**  
Feel the sand between your toes

**G**  
Unplug, unwind

**D**  
Step out in the sunshine

**C**        **G**            **D**                    **Em**  
I need to live a little, have some fun

**C**            **G**        **D**                    **Em**                    **C**  
Take some time, waste it on number one

**C**        **G**            **D**                    **Em**                    **C**  
Find a girl that brings my whole world to a stop

**C**        **D**  
Live a little

**C**        **G**            **D**                    **Em**  
I need to live a little, have some fun

**C**            **G**        **D**                    **Em**                    **C**  
Take some time, waste it on number one

**C**        **G**            **D**                    **Em**                    **C**  
Take the girl, get a map and pick any old dot

**C**        **D**                                    **C**        **D**  
Live a little, we need to live a little, love a lot

**Em-D-C-G** (2x s)
