**Fmaj7**        **G**  
Anywhere you want to go  
**Gm7**                    **D**  
As long as its sunny weather  
**E**  
Let the time fly by I don t mind  
**G**  
As long as we re together

**D**                    **D/C#**            **Bm7**            **A**  
South of the border there s a place I know  
**G**                    **D/F#**        **Em7 A**  
Where James Taylor sang about Mexico  
**D**                    **D/C#**            **Bm7**            **A**  
And the sun s so hot we ll forget to go home  
**F**                    **G**                **D**  
Baby we ll be outta here

CHORUS

**D**                    **D/C#**    **Bm7**            **A**  
Maybe drive to the country down to the lake  
**G**                    **D/F#**    **Em7**            **A**  
See if the catfish are jumping set our bait  
**D**            **D/C#**                    **Bm7**            **A**  
And if we come up dry we ll just sleep in late  
**F**                    **G**                    **D**  
At least we ll be outta here  
**F**                    **G**                    **D**  
As long as we re outta here  
**F**                    **G**                    **D**  
Baby lets get outta here
