[Verse1]

Aadd9 Bsus4
A Saturday downpour carved out rivers in the sand
Aadd9 Bsus4
She said it was her first time to see the sea
Aadd9
Helping her climb across those jetty rocks
Bsus4
Was the first time I touched her hand
Aadd9 Bsus4
The rain and the way that felt never let up all week
C#m Asus2

By Thursday I knew everything about her
 (**Bsus4**) **C#m** **Asus2**
 And God, the last day I didn't wanna leave without her

[Chorus]

E
 The sidewalks, the streets were soaked
 Abm **Aadd9**
 The sky was gray but you should've seen her face
E **Abm**
 Shining like that lighthouse through all the rain
 Aadd9
 And the way she called my name
 /0 /5
 I've lived those seven days a thousand times
 /0 /5
 Those seven days a thousand

[Verse 2]

Aadd9 **Bsus4**
 Time was like the tide, --it came and went
Aadd9 **Bsus4**
 That old pier ran clear out into the mist
 Aadd9
 My mind plays back that Tuesday night
 Bsus4
 Again and again, and again
 Asus2 **(C#m)Bsus4**
 I taste that saltwater taffy on her lips
 C#m **Asus2**
 Wednesday morning snuck in through the window
 C#m **Asus2**
 We just laid there and listened to the waves come and go

[Chorus]

E
 The sidewalks, the streets were soaked
 Abm **Aadd9**
 The sky was gray but you should've seen her face
E **Abm**
 Shining like that lighthouse through all the rain
 Aadd9
 And the way she called my name
 /0 /5
 I've lived those seven days a thousand times
 /0 /5
 Those seven days a thousand
