

Someday I Might Get Over You  
Kenny Chesney

INTRO G C D G 2X

G C D G C  
Well I opened my heart and I let you in and promised I d never  
D G C D Em G  
love again and I m still doing what I said I d do and someday  
C D G C D G  
I might get over you.

G C D G  
I wear my ring on a chain now instead of my hand  
C D G  
And I deal with your memory the best I can and I ve  
C D Em G C  
Even been out on a date or two and someday I might  
D G  
Get over you.

(CHORUS:)

C D G  
Oh, I never thought I d see it but I think I see the light  
C D G  
And now I know that what I have to do is get on with my life  
C D Em  
But I can t fake another day, I can t face another night so  
C D  
I ll get just take another breath and let it go.

G C D G C  
If I could ever feel the way I felt then I ll take a chance  
D G C D Em G  
With someone else and if my heart takes chances too, someday  
C D G  
I might get over you.

(CHORUS:)

C D G  
Oh, I never thought I d see it but I think I see the light  
C D G  
And now I know that what I have to do is get on with my life  
C D Em  
But I can t fake another day, I can t face another night so  
C D  
I ll get just take another breath and let it go.

G C D G C  
Well I opened my heart and I let you in and promised I d never  
D G C D Em  
Love again, and right now it s something I still can t do but  
G C D G C D  
Someday I might get over you...Though it may not be til my life  
Em G C D G  
Is through, someday I might get over you.
