In a summer island storm

D9

There s something sexy about the rain

G

And sometimes when it s pouring down

A

I feel her kisses on my skin

G **A** **D9**

I spread my arms and spin around

A **D9**

And let that summer island storm

Hit me like a hurricane

She followed me back to the city

In a picture in my mind

There s something sexy about the rain

It feels like kisses on my skin

In a summer island storm

She taught me how and showed me why

There s something sexy about the rain

There s something sexy about the rain
