

Thats The Good Stuff
Kenny Chesney

G D
Well me and my lady had our first big fight,
C G
So I drove around till I saw the neon lights,
C G C G C
At a corner bar, and it just seemed right, so I pulled up,
G D
Not a soul around but the ol barkeep,
C G
Down at the end lookin half asleep,
C G C G C
But he walked up and said what ll it be? I said the Good Stuff,
C D C D
He didn t reach around for the whiskey, He didn t pour me a beer,
C D
His blue eyes kinda went misty,
C
Said you can t find that here,

G D
Cause it s the first long kiss on a second date
C G
Mamma s all worried when you get home late
C G
And droppin the ring in the spaghetti plate,
C G C D
Cause your hands are shaking so much
G D
It s the way she looks with rice in her hair
C G
Eatin burnt suppers the whole first year
C G C G C
And askin for seconds, to keep her from tearin up,
D G D C G C
Yeah man that s the Good Stuff

G D
He grabbed a carton of milk and poured a glass
C G
I smiled and said I ll have some of that
C G C G C
We sat there and talked as an hour passed like ol friends
G D
Saw a black and white picture and it caught my stare
C G
Was a pretty girl with bouffant hair
C G C G C

He said that s my Bonnie, takin bout a year after we wed

He said spent five years in the bottle when the cancer took her from me

I ve been sober for three years now,

Cause the one thing stronger than the whiskey was the

The sight of her holdn my baby girl

The way she adored that string of pearls

I gave her the day that our youngest boy Earl

Married his high school love

And it s a new T-shirt sayin I m a Grand Pa

Being right there as our time got small

And holding her hand, when the good lord called her up

Yeah man that s the Good Stuff

G D C G C

He said when you get home she ll start to cry

When she says I m sorry, say so am I

And look into those eyes so deep in love

And drink it up

Cause that s the Good Stuff

That s the Good Stuff
