

When The Sun Goes Down
Kenny Chesney

[Verse]

A **D**
Sun tanned toes ticklin the sand
A **E**
Cold drank chillin in my right hand
A **D**
Watchin you sleep in the evenin light
A **E** **A**
Restin up for a long long night

[Chorus]

A
Cause when the sun goes down
D
We ll be grovin
A **E**
When the sun goes down, we ll be feelin alright
A **D**
When the sun sinks down, over the water
A **E** **A**
Every thing gets hotter when the sun goes down

[Verse]

All day long just taki it easy
Layin in a hamock were its nice and breezy
Sleepin off the night before, cause when the goes down we ll be back for more

[Chorus]

A
Cause when the sun goes down
D
We ll be grovin
A **E**
When the sun goes down, we ll be feelin alright
A **D**
When the sun sinks down, over the water
A **E** **A**
Every thing gets hotter when the sun goes down

[Verse]

This old guitar and my dark sun glasses
This sweet concoction is as smooth as molasses
Nothin to do, but breath all day,
Until that big moon rises and its time to play

[Chorus]

A

Cause when the sun goes down

D

We ll be grovin

A

E

When the sun goes down, we ll be feelin alright
