

But Do you care enough Where s your conviction of the Heart?

(Chorus)

One with the earth, with the sky, one with everything in life.  
I believe it will start with conviction of the heart.  
One earth, one sky, only one world, only one chance for one life.  
When will we live? One child, one dream, only one life.  
You ve but one chance for one life. When will we live?  
Only one earth, and only one sky, and only one world.  
We ve only got one chance to live in one life.  
I believe, it s only gonna start when we begin with some conviction of the heart.
