You Know I Love You - Kenny Rogers and the First Edition

**F** **C7** **Bb**  
When the morning sun, streaks a cross my room, and I m wakin up,  
**F** **C7**  
from another dream of you, yes I m on the road, once again it seems,  
**Bb** **F**  
all I ve left behind, is a chain of broken dreams.

**F** **C7** **Bb** **F**  
But you know I love you, Yes I love you, Oh I love you.

**F** **C7** **Bb**  
How I wish that love, was all we need to live, what A life we d

**F**  
have, cause I ve got so much to give, and it seems so wrong, deep

**C7** **Bb** **F**  
inside my heart, that the dollar sign, should be keeping us apart.

Chorus:

**Bb** **F**  
And if only I could find my way back to the time, when the

**Bb** **F**  
problems of this life had not yet crossed our minds, all the

**Bb** **F**  
answers could be found in childrenâ€™s nursery rhymes, I d come

**C7** **F** **C7** **F**  
running back to you, I d come running back to you.

**F** **C7** **Bb**  
But you know we can t, live on dreams alone, and to pay the rent,

**F** **C7**  
I must leave you all alone, you know I made my choice, many years

**Bb** **F**  
ago, now this traveling life, is the only one I know.

Repeat Chorus 3 times and fade....

This is an Oldie but Goodie
