Love Lifted Me
Kenny Rogers

```
     D                          D/C#
I ll write myself a simple song
        D/B                D/A
Get the whole world to sing along
     G         A           D      A7
I ll call it a love song for you
      D               D/C#
And who knows, I m liable
          D/B           D/A
To take a song from the Bible
E7                    A
And then when I m through

A7
I ll just sing:
D     F#m A7 D
Love lifted me
D     F#m A7 D
Love lifted me
G     F#m Em  D             Dm
When nothing else would do
          D      F#m A7 D
You know love lifted me
```

```
Everybody s lookin  for a way
To say something everybody s sayin
Well, that s hard to do
A-searchin  their minds, tryin  to find
The one of a kind way
That they could say something new
```
