Someone Must Feel Like a Fool Tonight

recorded by Kenny Rogers

tabbed by Ken Rogers (yes, that's my real name. No, I'm not related)

This song is in the key of Bb on the recording. I chose to tab it in the key of A.

It modulates to the key of B for the second verse, then back to A for the ending.

A **AMaj7** **A6** **A**
Someone must feel like a fool tonight
A **Bbdim** **Bm** **E**
Knowing they let you go
Bm **E** **Bm** **E**
Someone is wishing they'd done you right
Bm **E** **A**
Regretting they hurt you so.
A **AMaj7** **A6** **A**
Now that you're here in my loving arms
A **A7** **D**
Forget all your yesterdays
Bm **E** **A** (**G#**) **F#m**
Someone must feel like a fool to-night
(**E**) **D** **E** **A**
For letting you slip away.

(modulate to B major)

B **Bmaj7** **B6** **B**
When I see the moon shining in your eyes
B **Cdim** **C#m** **F#**
A feeling comes over me
C#m **F#** **C#m** **F#**
The warmth of your touch makes me realize
C#m **F#** **B**
Just how lucky can I be.
B **Bmaj7** **B6** **B**
Surely he knows and he's sorry now
B **B7** **E**
That he turned your love away
C#m **F#** **B** (**A#**) **G#m**
Someone must feel like a fool to-night
(**F#**) **E** **F#** **B**
Knowing you're here to stay.
