[Verse 2]
(same chords with verse 1)

I can t remember what I used to do,
Who I trusted who I listened to before.
I swear.
You ve taught me everything I know.
Can t imagine needing someone so,
But through the years it seems to me I need you more and more.

[Chorus 2]
(same chords with chorus)

Through the years, through all the good and bad, I know how much we ve had,
I ve always been so glad to be with you.
Through the years, it s better every day. You ve kissed my tears away,
As long as it s okay I ll stay with you. Through the years.

[Chorus 3]
All Chords in Chorus +1 fret high

Through the years, when everything went wrong, together we were strong,
I know that I belong right here with you.
Through the years, I never had a doubt, we d always work things out,
I ve learned what life s about, by loving you...
Through the years.
