heres the chords.....

Warm inside

Let's take a midnight drive

I wanna show ya...yeah really show ya

A

It's an open road

Let's see how far it goes

E

I wanna show ya...yeah really show ya

B

We're high flyin' low

A

Don't you wanna go

G F E

On a slow ride

Well it's cold outside

But there's fire in your eyes

I wanna hold you...baby let me hold you

I won't lose my nerve

On those dangerous curves

When we get rollin'...oh really rollin'

I say high flyin' low

Don't you wanna go

On a slow ride

Slow ride

Solo

Yeah slide on in, don't stop...?

Let's get movin'...oh really movin'

Won't you hold on time we can make it all night

Let's get movin'...oh really movin'

I say high flyin' low

Don't you wanna go

On a slow ride

Slow ride
