

Where Was I

Kenny Wayne Shepherd

Song: Where Was I?

Artist: Kenny Wayne Shepherd

Album: Live On

Tuning: Standard

Verse:

C F
Staring out the window
C
Watching as the night turns into day
C F
It's four in the morning
C
I've got so many things I need to say
G
I've been out here in the darkness
F
With shadows all around
C F C
Where was I before you came around?

Verse:

C F
Standing in a phone booth
C
Lord, I'm watching the rain fall down
C F
Don't know where I'm going
C
Don't even know the name of this town (of this town)
G
I've been stranded in this spotlight
F
Like a king without a crown
C F C
Where was I before you came around?

Bridge:

Am
I was lonely
F C
I was on my own
Am
I was drifting
F C
No place to call home

Am

Now Iâ€™m stronger

F C D7 F
Where would I be without you loving me? yeah

solo(over verse chords)

C F C C F C G F C F C

Bridge:

Am

I was lonely

F C

I was on my own

Am

I was drifting

F C

No place to call home

Where would I be without you loving me? yeah

Verse:

C F

Oh, staring out the window

C

I heard you say itâ€™s gonna be all right (all right)

C F

With these words from you girl

C

I can make it through another night

G

You give me someone to believe in

I was lost

F

But now Iâ€™m found

C F C

Where was I before you came around?

G

You give me someone to believe in

I was lost

F

But now Iâ€™m found

C F C

Where was I before you came around?
