

Im Going Home
Kentucky Mountain Trio

C- We all have a purpose. A reason for being
F- here.
C- But sometimes we get caught up, searching and trying
F- to be.
C- But here in this life,
Am- it doesn't matter where you go
F- what you do, or who you know
C- the one thing that matters
G- most is if you're going
C- home.

Chorus

C- I'm going home, some glad
F- morning. I'm gonna
C- see Jesus
F- face to face. I'm gonna
C- sing with the angels, see all of my friends
Am- tell all of my family how much
C- I'd missed them, it's gonna be a beautiful
G- day, I'm so thankful I can say
C- I'm going home.

Verse #2

C- This life that I'm living it's not al-
F- ways easy.
C- But without him, Lord only knows where
F- I'd be, He's the
C- reason I wake up, the reason I talk, He's the
Am- one who carries me, when I can't
C- walk and He's the
G- reason, I'm go-
C- ing home.

(Chorus)

C- I'm going
G- ho-
C- me.
