We ve been through the storm,  
We ve been through it all,  
We had some close calls,  
But never would fall  
We climbed all the mountains,  
Went through all the valleys,  
But you never left me behind.

I found my way through the clouds,  
No more running scared and closing my eyes  
I will be true, this love from my heart,  
I m laying my life on the line.

[Chorus]

I will survive,  
As long as it s you by my side.  
I will survive,  
As long as it s you by my side.  
I m stronger, stronger, stronger  
I m stronger, stronger, stronger

They said we wouldn t make it,  
Guess what, we made it  
And deep down, I m wondering how  
You were always for me,  
Never been the one to hurt me  
You gave me peace of mind

I found my way through the clouds,  
No more running scared and closing my eyes  
I will be true, this love from my heart.

I m laying my life on the line

[Chorus]

Sometimes I can t believe  
That you are with me,  
There s nobody lucky as me,  
So I get on my knees,  
To make sure that He  
Knows that I m grateful,  
For what he gave me

I will survive

[Chorus]

Said I m stronger with you, babe  
I will survive, with you by my side
