DOm LAb SIb FAm

DOm LAb  
As I cough out fire you're lighting up  
SIb FAm  
and you burn me with every maybe  
DOm LAb  
And I cut the chords and I break the locks  
SIb FAm  
but I'm powerless in your slavery.

DOm LAb  
And I curse this hell and I hate your guts  
SIb FAm  
And I swear I will pay for this craving  
DOm LAb SIb  
never again... never again...

FAm DOm LAb  
But we'll be making love like savages  
SIb FAm DOm LAb  
I'll lick the poison from right off your kiss  
SIb FAm DOm LAb  
Fall on rosy thorns for a taste of lethal bliss  
SIb FAm DOm LAb  
Oh we'll be making love like savages  
SIb FAm  
Savages... Savages

DOm LAb  
As I choke on flames you light up your torch  
SIb FAm  
Each of my defeats is your victory  
DOm LAb  
And I walk barefoot on a field of swords  
SIb FAm  
You have mastered the art of cruelty
