Who told you it was fine
     Am          G
for you to go and
               C    Em Am G
trash your place
       C
You really crossed
          Em Am
the line    when you
         G              C   Em Am G
barely missed my face
C
   Don t bring me flowers
          Em
in the morning
Am            G
   I ve seen it all before
C
   I move and nothing s
Em          Am
changing Here s your shit
       G
and there s the door
