Bm = x-2-4-4-3-2
Em = 0-2-2-0-0-0
D = x-x-0-2-3-2
C#Dim7 = x-4-5-3-5-x
C/D = x-5-x-5-5-3

[Verse 1]
```
    G                 D/F#
Dear future self, it s me again
      C               Cm
The girl you buried way back when
  Bm            Em        D G
I see you gave into curiosity
    G                 D/F#
My life right now is going well
      C               Cm
Iâ€™ve time to spare as one can tell
    Bm               Em              D      G
But you might just sense some trepidation too
```

[Pre-Chorus 1]

```
G  D/F# Em                      Bm
No one knows where they really want to go
C                      Bm
Why we always stay inside
            Em
And now it snows
      Bm              C
But I bet you miss it all
C
So
```

[Chorus]

```
G               D/F#
Do cars ever fly?
C                   Cm
Have you travelled time?
```

```
Bm          Em                C               D
Or is it just the same old thing for you and I?
G           D/F#             C           Cm
I used to be fine because you always seemed so far away
Bm          Em                     D       G
But now I feel our paths getting closer each day

[Verse 2]

            G                     D/F#
You ll find enclosed, a passport photograph
C                       Cm
The headlines and a railcard
     Bm       Em        D    G
It s funny how physical us humans are
C               G D C
Ahh-ahh-ahh-ahh

[Pre-Chorus 2]

G   D/F#   Em              Bm
But I heard all the years’ll leave you hurt
C                       Bm              Em
Everyone you love disappears and nothing works
          Bm                  C
Please don t say you hate the world
   C#dim7       C/D
I hope that I won t

[Chorus]

G             D/F#
Do cars ever fly?
C                   Cm
Have you travelled time?
Bm          Em            C               D
Or is it just the same old thing for you and I?
G           D/F#            C           Cm
I used to be fine because you always seemed so far away
Bm          Em                   D       G
But now I feel our paths getting closer each day
G
It s rather strange
```
