

**Middle Of It All**  
**Kerrie Roberts**

Hey guys! Thanks so much for viewing this tab! It was requested by SimoneNatalie. If you wanna request a Kerrie Roberts song, please message me or comment! Thanks you guys! ;D

KERRIE ROBERTS - Middle Of It All  
Capo on 4

Intro: **D A Bm G**

**D A**  
I want to be the one who stands in the fray  
**Bm G**  
I want to take a chance so I can say  
**D A**  
I m coming through, gonna get my hands dirty  
**Bm G**  
On the journey here with You  
**D A**  
I want to remember those forgotten by the world  
**Bm G**  
I want to be the words for those unheard  
**D A**  
And I ll follow You into the hardest places  
**Bm G**  
When I m afraid, I ll trust You  
  
I m afraid, but I ll trust You  
  
**D A Bm G**  
So I will run into the middle of it all  
**D A Bm G**  
And I will come when my heart hears Your call  
**Bm G**  
No, I won t hide behind the safety of the city walls  
**D A**  
I ll step outside the lines and rise above predictable  
**Bm G D**  
I will run into the middle of  
**A D A Bm G**  
The middle of it all

**D**  
 And You re here  
**A**  
 Lord, I know that I m not alone  
**Bm G**  
 And You re there before me anywhere I go  
**D A**  
 That s why I want to fearlessly live and love You  
**Bm G**  
 You re the reason why I move

**D A Bm G**  
 So I will run into the middle of it all  
**D A Bm G**  
 And I will come when my heart hears Your call  
**Bm G**  
 No, I won t hide behind the safety of the city walls  
**D A**  
 I ll step outside the lines and rise above predictable  
**Bm G D A**  
 I will run into the middle of, the middle of it all

**Bm G**  
 Across the distance and right across the street  
**D A**  
 Whatever You decide to put within my reach  
**Bm G D A**  
 I will go, make me ready

**D A Bm G**  
 So I will run into the middle of it all  
**D A Bm G**  
 And I will come when my heart hears Your call  
**Bm G**  
 No, I won t hide behind the safety of the city walls  
**D A**  
 I ll step outside the lines and rise above predictable  
**Bm G D**  
 I will run into the middle of  
**A D A Bm G D**  
 The middle of it all
