Fly, Fly Away Chords " Catch Me If You Can

**F#** **C#**  
When I was a child, my eyes were clear, I saw the good side  
**B** **D#m** " **C#**  
That s the kind of second sight that doesn t last too long  
**F#** **C#**  
But when I was lost, I heard a voice that brought me healing.  
**B** **D#m** " **C#**  
That s the kind of special hope he brought me with his song  
**G#m** **D#m**  
People only saw the doctor, lawyer, Indian chief  
**G#m** **D#m**  
But he was just a lonely little boy to me  
**G#m** **D#m**  
With his sweet and gentle touch, he sure unlocked my soul  
**F#m** **C#**  
So in return I surely want to help to, set him free  
**F#**  
Yeah now I wanna see him fly, fly  
**D#m**  
I ll be your alibi, my baby  
**G#m**  
Fly, fly, fly away

**C#** **F#**  
We didn t get to say goodbye, goodbye  
**D#m**  
No need to tell me why, my baby

**F#** **C#**

**B** **D#m** " **C#**  
But this man without a name taught me how to feel  
**G#m** **D#m**  
They only saw the magic tricks, the smoke and mirrors  
**G#m** **D#m**  
Was I the only one to ever see the boy?  
**G#m** **D#m**  
So now they wanna clip his precious wings, and bring him down!
