

## 31 Seconds Alone

Kesha

**G** **A**  
Caught up, I m drowning  
**Em**  
In this crowded sound  
**D**  
I ve fallen underneath  
**G** **A**  
So loud it s pounding  
**Em**  
All around me  
**D**  
There s no time for you and me  
**D**  
We could be having  
**D**  
The night of our lives

Refrão:

**G** **A**  
Pull the fire alarm  
**Em**  
I would scream there s a bomb  
**D**  
In the building, for 31 seconds alone  
**G** **A**  
Like the hands on the clocks  
**Em**  
I would change all the locks  
**D**  
In a minute, for 31 seconds alone  
**A**  
Baby I m tired of running wild  
**D**  
With all this time out on my own
