

Bad Dream

Kesha

â™; Bad Dream â™;

F

I feel like I ve been watching

Dm

The stars and Earth collide

C

The past, it haunts me

Bb

Yeah it kills me every single time

F

And now my mind is racing

Dm

My heart pounds in my chest

C

I know I have to let you go

Bb

Cause I just can t forget

F

Dm

I m so in love but I found your lies

C

Bb

Tell me I m having just a bad dream tonight

F

Dm

Tell me love, that it s all alright

C

Bb

Tell me I m having just a bad dream tonight

F, Dm, C, Bb

Come wake me up [5x]

F

I wish I never knew what

Dm

I somehow figured out

C

Lie and tell me you don t know

Bb

What I m talking about

F

How do I recover

Dm

From these pictures in my head?

C

You were the love of my life

Bb

I sure hope she was worth it
