Em **C**
You re sleepin with the enemy

G **Am** **Em** **C**
You left me all alone, alone, alone, alone

G **X**
The beat drops, I m so low

Em **C**
My heart stops, I already know

G **Am** **Em** **C**
You left me all alone, alone, alone, alone

C **Am**
I m sick and tired of the mess you made me

Em **Am**
Never gonna catch me cry

Oh whoa whoa

C **Am**
You must be blind if you can t see

Em **Am**
You ll miss me til the day you die

Oh whoa whoa

C **Am** **Em** **Am**
Without me, you re nothing

Oh whoa whoa

C **Am**
You must be blind if you can t see

Em **Am**
You ll miss me til the day you die

Oh whoa whoa

I ve let go, finally over you
This drama that you put me through
I m better all alone, alone, alone, alone
The beat drops, you re so low
It s last call and it s gotten old
Now look who s all alone, alone, alone, alone

I m sick and tired of the mess you made me
Never gonna catch me cry
Oh whoa whoa
You must be blind if you can t see

You ll miss me til the day you die
Oh whoa whoa
Without me, you re nothing
Oh whoa whoa
You must be blind if you can t see
You ll miss me til the day you die
Oh whoa whoa

Am **Em**
I trusted you, you were the first

Am **Em**
Then you lied and it get s worse

C
You broke me down

Am
Now just look around

C
Who s all alone?

Who s all alone now?

I m sick and tired of the mess you made me
Never gonna catch me cry
Oh whoa whoa
You must be blind if you can t see
You ll miss me til the day you die
Oh whoa whoa
Without me, you re nothing
Oh whoa whoa
You must be blind if you can t see
You ll miss me til the day you die
