

**Body Talks (feat. The Struts)**

**Kesha**

[Primeira Parte]

**E** **G**  
Your eyes follow like a spotlight  
**E** **G**  
Two eyes like the sun  
**E** **G**  
Go ahead, keep your distance from me  
**E** **G**  
Soon you re gonna come  
**E** **G**  
When you flick your hair like you don t care  
**E** **G**  
And you re asking where I m from  
**E** **G**  
That game that you re running, baby  
**E** **G**  
You ve already won

[Pré-Refrão]

**E**  
I need to know, know, know  
**G**  
What do you need, need, need?  
**A9**  
What do you like, like, like?  
**E**  
Cause I m gonna be it tonight

[Refrão]

**E**  
You can be cool, you can be shy  
**G**  
Say what you want, say what you like  
**A**  
Cause ooh, your body talks, your body talks  
**E**  
Ooh-ooh, your body talks  
**E**  
You can pretend you don t want it now  
**G**  
But I read the signs from your head to your toes  
**A**  
Yeah, you don t need to say a word cause  
**E**

Ooh, ooh your body talks

[Segunda Parte]

**E** **G**  
Your lips are a conversation

**E** **G**  
That face is a song

**E** **G**  
If it s my imagination

**E** **G**  
Stop me if I m wrong

[Pré-Refrão]

**E**
