

## Dancing With Tears In My Eyes

Kesha

**Dm** **F**  
Here we go, welcome to my funeral  
**Bb** **C**  
Without you, I don't even have a pulse  
**Dm** **F**  
All alone, it's dark and cold  
**Bb** **C**  
With every move I die  
**Dm** **F**  
Here I go, this is my confessional  
**Bb** **C**  
A lost cause, nobody can save my soul  
**Dm** **F**  
I'm so delusional  
**Bb** **C**  
With every move I die  
**Dm**  
I have destroyed our love  
**F**  
It's gone  
**Bb**  
Payback is sick  
**C**  
It's all my fault  
  
**Dm** **F**  
I'm dancing with tears in my eyes  
**Bb** **C**  
Just fighting to get through the night  
**Dm**  
I'm losing it, losing it, losing it  
**F**  
With every move I die  
**Bb** **C**  
I'm fading, I'm broken inside  
**Dm** **F**  
I've wasted the love of my life  
**Bb**  
I'm losing it, losing it, losing it  
**C**  
With every move I die  
  
**Dm** **F**  
When did I become such a hypocrite?  
**Bb** **C**  
Double-life, lies that you caught me in  
**Dm** **F**

Trust me, i m paying for it

**Bb** **C**

With every move I die

**Dm** **F**

On the floor, I m just a zombie

**Bb** **C**

Who I am is not who I wanna be

**Dm** **F**

I m such a tragedy

**Bb** **C**

With every move I die

**Dm**

I have destroyed our love

**F**

It s gone

**Bb**

Payback is sick

**C**

It s all my fault

(refrão)

**Am**

**Em**

**Gm**

Never once thought I d be in pieces left behind

( **Dm** **F** **Bb** **C** )
