

Dancing With Tears In My Eyes
Kesha

Ebm F#
Here we go, welcome to my funeral
B C#
Without you, I don t even have a pulse
Ebm F#
All alone, it s dark and cold
B C#
With every move I die
Ebm F#
Here I go, this is my confessional
B C#
A lost cause, nobody can save my soul
Ebm F#
I m so delusional
B C#
With every move I die
Ebm
I have destroyed our love
F#
It s gone
B
Payback is sick
C#
It s all my fault

Ebm F#
I m dancing with tears in my eyes
B C#
Just fighting to get through the night
Ebm
I m losing it, losing it, losing it
F#
With every move I die
B C#
I m fading, I m broken inside
Ebm F#
I ve wasted the love of my life
B
I m losing it, losing it, losing it
C#
With every move I die

Ebm F#
When did I become such a hypocrite?
B C#
Double-life, lies that you caught me in
Ebm F#

Trust me, i m paying for it

B **C#**

With every move I die

Ebm **F#**

On the floor, I m just a zombie

B **C#**

Who I am is not who I wanna be

Ebm **F#**

I m such a tragedy

With every move I die

Ebm

I have destroyed our love

F#

It s gone
