

Hungover Kesha

(capo 4ª casa)

Am
And now the sun is rising
G **F** **C**
And now the long walk back home (back home)
Am
There s just so many faces,
G **F** **C**
But no one I need to know (need to know)

Am **G** **F** **C**
In the dark I can t fight it, I fake til I m numb
Am
But in the bright light,
G **C** **Am**
I taste you on my tongue

C
Now the party s over
G
And every bodys gone
Am **F**
I m left here with myself and I wonder what went wrong
C
And now my heart is broken
G
Like the bottles on the floor
Am
Does it really matter?
F **C**
Or am I just hung over you?
G **F**
Ah ah ah, ah ah ah
Am **C**
Or am I just hungover?

Am
Even my dirty laundry
G **F** **C**
Everything just smells like you (like you)
Am
And now my head is throbbing
G **F**
Every song is out of tune
C **Am**
Just like you

Am **G** **F** **C**
In the dark I can't fight it, I fake til I'm numb
Am
But in the bright light,
G **C** **Am**
I taste you on my tongue

C
Now the party's over
G
And every body's gone
Am **F**
I'm left here with myself and I wonder what went wrong
C
And now my heart is broken
G
Like the bottles on the floor
Am
Does it really matter?
F **C**
Or am I just hung over you?
G **F**
Ah ah ah, ah ah ah
Am **C**
Or am I just hungover?

Am **G**
Now I've got myself looking like a mess
F
Standing alone
C
Hear at the end try to pretend but no,
Am
I put up my fight
G **F**
But this is it this time (this time)
C
Cus I'm here at the end, tryin to pretend
Am **G**
Here at the end, tryin to pretend
C
Oh, ohhh

C
Now the party's over
G
And every body's gone
Am **F**
I'm left here with myself and I wonder what went wrong
C
And now my heart is broken
G
Like the bottles on the floor
