

HYMN

Kesha

C#

Even the stars and the moon

F#

Don't shine quite like we do

Bbm

Dreamers searchin' for the truth

F#

Go on, read about us in the news

C#

Pretty reckless, pretty wild

F#

Talking shit and we'll just smile

Bbm

Don't you see these fuckin' crowns?

F#

If you know what I mean, you on the team

C#

This is a hymn for the hymnless, kids with no religion

F#

Yeah, we keep on sinning, yeah, we keep on singing

Bbm

Flying down the highway, backseat of the Hyundai

F#

Pull it to the front, let it run, we don't valet

C#

Sorry if you're starstruck, blame it on the stardust

F#

I know that I'm perfect, even though I'm fucked up

Bbm

Hymn for the hymnless, don't need no forgiveness

F#

Cause if there's a heaven, don't care if we get in

C#

This is a hymn, hymn, hymn

F#

For how we live, live, live

Bbm

This is a hymn, hymn, hymn

F#

For how we live, for how we live

C#

After all we've been through

F#

No, we won't stand and salute

Bbm

So we just ride, we just cruise

F#

Livin' like there's nothing left to lose

C#

If we die before we wake (ahh-ah)

F#

Who we are is no mistake (ahh-ah)

Bbm

This is just the way we're made (ahh-ah)

F#

You know what I mean, you on the team

C#

This is a hymn for the hymnless, kids with no religion

F#
