

HYMN

Kesha

B
Even the stars and the moon

E
Don't shine quite like we do

G#m
Dreamers searchin' for the truth

E
Go on, read about us in the news

B
Pretty reckless, pretty wild

E
Talking shit and we'll just smile

G#m
Don't you see these fuckin' crowns?

E
If you know what I mean, you on the team

B
This is a hymn for the hymnless, kids with no religion

E
Yeah, we keep on sinning, yeah, we keep on singing

G#m
Flying down the highway, backseat of the Hyundai

E
Pull it to the front, let it run, we don't valet

B
Sorry if you're starstruck, blame it on the stardust

E
I know that I'm perfect, even though I'm fucked up

G#m
Hymn for the hymnless, don't need no forgiveness

E
Cause if there's a heaven, don't care if we get in

B
This is a hymn, hymn, hymn

E
For how we live, live, live

G#m
This is a hymn, hymn, hymn

E
For how we live, for how we live

B
After all we've been through

E
No, we won't stand and salute

G#m
So we just ride, we just cruise

E
Livin' like there's nothing left to lose

B
If we die before we wake (ahh-ah)

E
Who we are is no mistake (ahh-ah)

G#m
This is just the way we're made (ahh-ah)

E
You know what I mean, you on the team

B
This is a hymn for the hymnless, kids with no religion
