

**HYMN**

**Kesha**

**D**  
Even the stars and the moon

**G**  
Don't shine quite like we do

**Bm**  
Dreamers searchin' for the truth

**G**  
Go on, read about us in the news

**D**  
Pretty reckless, pretty wild

**G**  
Talking shit and we'll just smile

**Bm**  
Don't you see these fuckin' crowns?

**G**  
If you know what I mean, you on the team

**D**  
This is a hymn for the hymnless, kids with no religion

**G**  
Yeah, we keep on sinning, yeah, we keep on singing

**Bm**  
Flying down the highway, backseat of the Hyundai

**G**  
Pull it to the front, let it run, we don't valet

**D**  
Sorry if you're starstruck, blame it on the stardust

**G**  
I know that I'm perfect, even though I'm fucked up

**Bm**  
Hymn for the hymnless, don't need no forgiveness

**G**  
Cause if there's a heaven, don't care if we get in

**D**  
This is a hymn, hymn, hymn

**G**  
For how we live, live, live

**Bm**  
This is a hymn, hymn, hymn

**G**  
For how we live, for how we live

**D**  
After all we've been through

**G**  
No, we won't stand and salute

**Bm**  
So we just ride, we just cruise

**G**  
Livin' like there's nothing left to lose

**D**  
If we die before we wake (ahh-ah)

**G**  
Who we are is no mistake (ahh-ah)

**Bm**  
This is just the way we're made (ahh-ah)

**G**  
You know what I mean, you on the team

**D**  
This is a hymn for the hymnless, kids with no religion

**G**  
Yeah, we keep on sinning, yeah, we keep on singing

**Bm**
