

Im The One
Kesha

Intro: **C#m E B F#**

(**C#m E B F#**)

You re the one with eyes like windows
Nothing you can hide that I don t know
I can t see why you re keeping it a secret
What you feel so deep, just let it show

(**A C#m B**)

It only takes a second to begin
And all I wanna do is let you in

Refrão:

Bm **B**
Oh, one touch can set it all in motion
F# **A**
One word in the perfect moment
Bm **B** **F#**
One chance to take when it comes
Bm **B**
One life is all that we re given
F# **A**
One love can make it worth livin
Bm **B** **F#**
Take a look back before you run

I m the one

(**C#m E B F#**)

(**C#m E B F#**)

I don t know what you ve been through
But someone somewhere left a mark on you
Well, I m not them and they re not me
I don t believe in hurt you can t undo

(**A C#m B**)

Use the complications you can t face
But a single kiss can take them all away
