Old Flames Can't Hold a Candle To You Kesha

[Intro] B

Oh

Downtown tonight, I saw an old friend, someone who I used to take comfort from long before I met you В I saw a spark in his eyes of forgotten desire With a word or a touch, I could ve rekindled that fire В But old flames can t hold a candle to you No one can light up the night like you do Flickering embers of love, I ve known one or two But old flames can t hold a candle to you Sometimes at night, I think of the lovers I ve known F# Remember em holding me helps me not feel so alone Then I feel you beside me, and even their memories are gone Like stars in the night lost in the sweet light of dawn But old flames can t hold a candle to you No one can light up the night like you do Flickering embers of love, I ve known one or two But old flames can t hold a candle to you F# Old flames can t hold a candle to you В
