

Praying

Kesha

[Intro] Gm F Bb

Gm F Bb

Gm F Bb

Well, you almost had me fooled

Gm F Bb

Told me that I was nothing without you

Gm F Bb

Oh, but after everything you've done

Gm F Bb

I can thank you for how strong I have become

Gm

'Cause you brought the flames

F

And you put me through hell

Bb

I had to learn how to fight for myself

Gm F

And we both know all the truth I could tell

Bb

I'll just say this is I wish you farewell

Gm F Bb

I hope you're somewhere praying, praying

Gm F Bb Eb

I hope your soul is changing, changing

Gm F Bb

I hope you find your peace

Gm F Bb Eb

Falling on your knees, praying

(Gm F Bb)

Gm F Bb

I'm proud of who I am

Gm F Bb

No more monsters, I can breathe again

Gm F Bb

And you said that I was done

Gm F Bb

Well, you were wrong and now the best is yet to come

Gm F Bb

'Cause I can make it on my own

Gm F Bb

And I don't need you, I found a strength I've never known

Gm F Bb

I've been thrown out, I've been burned

Gm F Bb Eb

When I'm finished, they won't even know your name

Gm F

You brought the flames and you put me through hell

Bb

I had to learn how to fight for myself

Gm F

And we both know all the truth I could tell

Bb Eb

I'll just say this is I wish you farewell

Gm F Bb

I hope you're somewhere praying, praying

Gm F Bb Eb

I hope your soul is changing, changing

Gm F Bb

I hope you find your peace

Gm F Bb Eb

Falling on your knees, praying

Gm F Bb

Oh, sometimes, I pray for you at night

Gm F Bb

Someday, maybe you'll see the light

Gm F Bb

Oh, some say, in life, you're gonna get what you give

Gm F Bb Eb

But some things only God can forgive
