I used to live in the darkness

Bbm

Dress in black, act so heartless

F#

G#

But now I see that colors are everything

C#

Got kaleidoscopes in my hairdo

Bbm

Got back the stars in my eyes, too

F#

G#

Yeah now I see the magic inside of me

C#

Yeah maybe my head s fucked up

Ebm

F#

But I m falling right back in love with being alive

G#

Dreaming in light, light, lights

C#

This kitty cat lost her mind

Ebm

F#

Been lookin for a star-sent sign that I ll be alright

G#

Look to the skies

C#

I ve found a rainbow, rainbow, baby, trust me

Bbm

I know life is scary

F#

But just put those colors on, girl

G#

C#

Come and play along with me tonight

C#

I d forgot how to daydream

Bbm

So consumed with the wrong things

F#

G#

But in the dark, I realized this life is short

C#

And deep down, I m still a child

Bbm

Playful eyes, wide and wild

F#

G#

I can t lose hope, what s left of my heart s still made of gold

C#

And I know that I m still fucked up

Ebm

But aren t we all, my love?

F#

G#

Darling, our scars make us who we are, are

C#

So when the winds are howling strong

Ebm

And you think you can t go on

F#

G#

Hold tight, sweetheart

C#

You ll find a rainbow, rainbow, baby, trust me

Bbm

I know life is scary

F#

But just put those colors on, girl

G#

C#

Come and play along with me tonight

C#

You gotta learn to let go, put the past behind you, trust me

Bbm

I know, the ghosts will try to find you

F#

But just put those colors on, girl
