

True Love
Kesha

Kesha ft. Katy Perry " True Love

sorry if its wrong, im only a beginner. i think this is how it goes. it works for me :)

D **G**
i think about you all the time
D **G**
one look my knees get weak practicly die
C **Am** **E**
so hard to sleep when im so close to this dream coming true
E
true true
C **Am** **E**
how do i tell, tell you
G
when

Am **C**
i cant speak
G
im terrified cos if i
Am **C**
slip up one thing
G
you might see how hard im trying
C **D** **G** **C**
is this made up or true love
D
is this true love
G
is this true love

walk by and im a nervous wreck
the way you smell
the way you dress
(so perfect)

my tongue is tired cos i cant
translate these feelings inside
i-i-oh

i cant speak
im terrified cos if i
say the wrong thing
you might see how hard im trying

is this made up or true love
is this true love
is this true love

D **G**
i want to tell you my secrets and tell you everything,

D **G**
my heart is racing im waiting for some time from you

D **G**
how do i say your too my,

D **G**
tell me you feel it too my (true love)

i cant speak
im terrified cos if i
say the wrong thing
you might see how hard im trying
is this made up or true love
is this true love
is this true love
