[Verse 1]

Gm D7
To see the world through an empty shotglass
Gm D7
Shake order on the rocks of chaos
Cm D
Liberty as the ripest fruit
D# D
That if not eaten shall rot and bruise
Gm D7
See a saint succumb to sin
Gm D7
Bow down, return again
Cm D
To find rage in passion and fear in love
D# D
Poverty in wealth above

[Chorus]

Gm Cm
Give me life and all sweet pain
D7 Gm
The knives of truth, the hope in rain
Gm Cm
Savage beauty and the fiery plains
D7 Gm
Show me dawns never tamed
D# Cm D
To think we d live on bread alone
D# Cm D
Betting on angels to carry us home
Gm D7 Gm D7 Cm D Cm D
I ll take some flesh and bone

[Verse 2]

Gm D7

Heard a priest condone the bombings

Gm **D7**

But heard a cop condemn the shootings

Cm **D**

Good flirts with bad and the scholars go mad

D# **D**

Tw'as the strangest meal I've ever had

Gm **D7**

And you long for a steady journey

Gm **D7**

Stable country, simple morning

Cm **D**

But the evening of a ruthless knife

D# **D**

Brought the sweetest sunrise of your life

[Chorus]

Gm **Cm**

Give me life and all sweet pain

D7 **Gm**

The knives of truth, the hope in rain

Gm **Cm**

Savage beauty and the fiery plains

D7 **Gm**

Show me dawns never tamed

D# **Cm** **D**

To think we'd live on bread alone

D# **Cm** **D**

A fearing devils, fire and stone

Gm

A fearing flesh and bone
