Am

```
    Am(Asus2)                       Am/F(Asus2/F)
she climbs up the stairs by the light of a candle
        Am/F#(Asus2/F#)       Am/F(Asus2/F)       Am(Asus2)
then the door with no handle is closing behind her again
    Am(Asus2)               Am/F(Asus2/F)
she places the light on a chair by the window
      Am/F#(Asus2/F#)
says a prayer while the wind blows
    Am/F(Asus2/F)                 Am(Asus2)
and then in her bedclothes she hides
```

bridge:
```
          C                 Bm
now she s safe from the darkness
      F             Am
she s safe from it s clutch
     C             Bm
now nothing can harm her
    F               Em
at least not very much
```

chorus:
```
C               C#aug(x43020)   C           Am
  what will you dream of      tonight lady rachel
C               C#aug       A
  what will you dream of tonight
C               C#aug(x43020)   C           Am
  who will you dream of       tonight lady rachel
C               C#aug       A
```

who will you dream of tonight
