

Shouting In A Bucket Blues

Kevin Ayers

A - C#m - G - D - Bm - D - A - E

Sometimes I get too drunk,
I feel so goddamned low
I have no place to go, no-one to turn to
I think about your loving arms,
and where I d like to be
But it s selfish as can be, and I know it
And if I m sorry for myself
I m sorry for you too
Cause I m the same as you, and I m burning

E D A F#7
So I sing for everyone who feels there s no way out
Bm E
Maybe if you all shout someone will hear you
A
O listen to them shout

I won t say that I love you, cause that would be a lie
I can only say I try, and you know it
Mm love is something more or less than words can hope to say
It s something day to day in the life we re living
Lovers come and lovers go but friends are hard to find
Yes I can count all mine on one finger

So I sing for everyone who feels there s no way out
Maybe if you all shout someone will hear you
O listen to them shout

The distance that s between us it just never seems to change
There s a whole mountain range of misunderstanding

So I sing for everyone who feels there s no way out
And maybe if you all shout someone will hear you
Listen to them shout
